Mr. Lawrence Bensky
Managing Editor, Ramparts
301 Broadway
San Francisco, Calif. 94133

Dear Mr. Bensky:

Thanks for sending me the current Ramparts.

For your information, even before I sent you Fred Newcomb's work on the King assassination sketch - Allen picture - I left a copy for the FBI which took only two days to pick it up and has since been silent; but they do have it and have had it since April.

Sincerely,

Harold Weisberg
